A Letter from a Birth Mom
You often hear us say that “every gift makes a difference,” and the maintenance of the Anna Grace Farmer Adoption Center is one of those ways.

Thank you to Joyce Vittitow, a former Board of Directors member, for contributing so generously to the purchase of new shutters. Thank you to William “Bill” Rosser and his “crew” from Wisconsin for traveling to Tupelo to remove the old shutters and stain and hang the new ones. They look great!

We appreciate you!
From the day our home study was approved, we were so anxious and excited to begin this journey! Many prayers were prayed, and tears were shed along the way. And, if I'm completely honest, the “waiting” was not easy. We began our adoption journey the year before COVID arrived so that certainly complicated things. The first time we had an adoption match, we were so hopeful, but the birth mother changed her mind. We were sad but at peace with the situation. We had to update our home study and six days later, we received “the call”. Our baby was born, and we headed to the hospital!

Our baby girl is the greatest blessing in our lives. We are so thankful that God chose her just for us. We love, honor, and respect her birthmother so much. She is truly amazing.

We had so many individuals praying for us throughout this process, but there was one precious lady that prayed for us daily until she lost her life in a car accident (her daughter is my best friend). When going through her mom’s things, my friend found her mom’s prayer list. Our names were on that list and she had prayed that God would bless us with a baby through adoption. God certainly answered that prayer. And our baby girl was born on that sweet lady’s birthday.

Two scriptures sustained me on this journey:

PSALM 126:5 THOSE WHO SOW WITH TEARS WILL REAP WITH SONGS OF JOY...

JAMES 1:17 EVERY GOOD AND PERFECT GIFT IS FROM ABOVE, COMING DOWN FROM THE FATHER OF THE HEAVENLY LIGHTS...

For those who still wait – have faith – He hears every prayer.
To my beautiful son,

I'm writing you this letter so that one day you will understand why you are not with me. I hope this helps you appreciate my choice. I am really young and have made some serious mistakes. If I had known that things would turn out this way, I would have done things differently. As you grow up, you will see that it's not hard to make a wrong choice. People tell you that you're wrong, but you will only be satisfied once you find out for yourself. Then you say, "I wish I had listened."

I have no job, no money, and no way to take care of myself or you. That is why I chose adoption. The agency was kind to me and helped me find a family that I know will love you.

I made a promise to you in the hospital when I was holding you so tight. I will do better. I will change things.

I love you so much and thank God for the love you will have from your adoptive parents. You will have a life with them that you never would have had with me. They are truly a blessing. I will love them always for giving you what you deserve. I will think of you every day.

Adoption Tag

Each time you purchase a "Choose Life" car tag in Mississippi, you're donating to organizations like New Beginnings and local crisis pregnancy centers. If you'd like to specifically support adoption, you can pre-order an "Adoption" tag. The state must reach a preset number of orders before the tag is available for purchase. Request your "Choose Life" tag when you renew your auto tag this year.
