From Adoption to a Lifetime of Service

Around 28 years ago, Bill Rosser's connection to New Beginnings began when he traveled to Tupelo with his daughter and son-in-law to adopt their first daughter, Lily. That marked the beginning of a lifelong friendship between Bill, his family, and New Beginnings. Three years after Lily was adopted, the Rossers' daughter and son-in-law returned to Tupelo to adopt their second daughter, Gabriella.

During this time, Bill attended a general conference for their church organization where he encountered Tom Velie at a New Beginnings booth. Tom introduced Bill to Bobby Adhikari, who was associated with an affiliate church in Nepal. Tom told Bill the two were heading to Nepal soon and casually asked, "You wanna go?" Bill said yes to the first of 11 trips to Nepal, where Bill, Tom, Bobby, and others worked on the children's home renovation projects and other needs.

These trips furthered Bill's involvement with New Beginnings. As the leader of the "Wisconsin Crew", he has coordinated numerous renovations and maintenance projects on a volunteer basis at the New Beginnings former Maternity Care Center and at the current office building. His family has been among New Beginnings' most faithful supporters, with his son-in-law, Jack, serving on the board, followed by Bill himself. Eventually, he became New Beginnings' first Director Emeritus.

From hands-on service to administration, Bill continues to help New Beginnings fulfill its mission. Each year, he brings a crew to improve facilities and remains active on the board after retirement. When asked about his commitment, Bill simply states, "It's a worthy cause."

A Reason to Give

Bill first came to New Beginnings because someone he loved was adopted. The personal impact on Bill's family, along with seeing what New Beginnings was doing for other families, made him personally invested in helping the work continue. Bill acknowledges that New Beginnings' work would not be possible without their faithful donors and supporters.

Whether you have supported New Beginnings for years or are considering giving for the first time, your generosity helps make it possible to continue walking alongside birth mothers, children, and families in need. Bill's story reminds us that one family's connection can become a lifetime of impact—and your support can help that impact continue for generations to come.
